

FORTUNE IHEANACHO

SKILLS

HTML · CSS · JavaScript · Python ·
Flask · C · Git · Github · Bash ·
NGINX

STRENGTHS

⚙️ Problem-Solving

I have the ability to analyze complex problems, and develop efficient solutions.

🗣️ Communication

I'm effective at passing precise information to anyone, active listening, and clear written communication.

🕒 Time Management:

I'm efficient in prioritizing tasks, meeting deadlines, and balancing multiple projects simultaneously.

💎 Creativity & Innovation

I have the ability to think outside the box and develop unique solutions or improve existing ones.

SUMMARY

I am a passionate front-end developer, transitioning into full-stack development. I have a deep love for creating intuitive and engaging user interfaces with strong use of web technologies like HTML, CSS, JavaScript, and other front-end technologies. Proficient in JavaScript, Python, and cloud technologies, with hands-on experience in frameworks like Flask and other backend technologies like Node JS and MySQL. I am passionate about continuous learning and want to contribute to a forward-thinking team that values creativity and efficiency.
